There's a new sun, risin' up angry
the sky,
There's a new voice, crying we're not
afraid to die,
Let the old world make believe,
its blind and deaf and dumb-
But nothing can change the shape of things
to come---

There are changes, lying ahead on every
road,
There are new thoughts, ready and waiting
to explode,
Where tomorrow is today, the bells
may toll for some-
But nothing can change the shape of things
to come---

Future comin' in now sweet and
strong
Ain't no one gonna hold it
back for long
There are new dreams, crowding out
old realities,
There's revolution, sweeping in like
a fresh new breeze,
Let the old world make believe,
it's blind and deaf and dumb
But nothing can change the shape of things
to come.

In Appreciation

MRS. HANSON MR. WAMP

MRS. BOYD MR. MEYERS

MR. BUCCI

In the past four years our class has had both good times and bad. Thanks to the help of our wonderful advisors we can finally say our efforts were not in vain. They have helped us in every way they could, and given us ideas and guidance to help make our years successful. For their patient help and understanding, we extend our deep appreciation to Mrs. Hanson, Mr. Bucci, and our new advisors Miss Bucina and Mr. Wamp.

We deeply regret that Mrs. Boyd and Mr. Meyers could not see our class through to Graduation. They helped us all, individually and as a class, giving time and effort to make our class a successful one. For this we thank them.

MISS BUCINA

In Recognition

MR. REDDINGER

On the courts or off, he always had time for the little things. From the first day he said the door would always be open, and it was . . . Thank you Mr. Reddinger.

Coach Johnson, for all your years of unceasing effort to make York a success in all fields of athletic endeavor, and for all the work you have done that goes unseen. We the Senior Class of 1973 would like to take this opportunity to say "Thank you Coach" for a job well done.

For this we acknowledge both of these men.

COACH JOHNSON

Monday's child is fair of face;

Tuesday's child is full of grace;

Wednesday's child is loving and giving;

Thursday's child works hard for a living;

Friday's child is full of woe,

Saturday's child has far to go.

But the child that's born on the

Sabbath Day is blith and bonny and

good and gay.

Our Class History

CLOCKWISE: President-Dave Sliker
Vice-President-Debbie Jones
Treasurer-Alice Berg
Secretary-Linda Morgan

We eagerly started our schooling at the ages of four or five and quickly swept through seven years of elementary school. Then, beginning Junior High as seventh graders we really found something new; we had a different teacher every forty-five minutes!

All the while we continued to grow and to learn. In our Freshmen year we began to experiment with a new concept and found that a class can work together, especially buying our jackets and sweaters. When we became Sophomores we had a big decision before us--which style ring should our class have and another test of class cooperation. Then came our Junior Prom--"Precious and Few." We may have disagreed on colors and other trivial matters, but our class stayed together and worked together. The Senior play, "Pillow Talk", proved to be a great success. Finally our Senior trip, as one goal we worked so hard for for the past four years.

All of this has passed so very quickly but on graduation day we will look back with fond memories to these days. We have learned much in these first seventeen years of our lives, but we still have far to go and so much more to learn. Life is forever a beginning.

Monday's Child is fair of face.

A little more tired at close of day,
A little less anxious to have our way;
A little less ready to scold and blame,
A little more care of a brother's name;
And so we are nearing our journey's end,
Where time and eternity meet and blend.
